Deputy Commissioner's Office, Hassan District.

Dated Hassan, 15th February 1918.

From, C. Venkata Rao, Esquire, B.A.
Offg. Deputy Commissioner,
Hassan District.

To, C. Aravamudan Iyengar, Esquire, B.A., B.L.
Joint Secretary to Government,
Muzrai Department, Bangalore.

Sir,

Referring to Government Orders Nos. 71-41/uz.585-16-2 and 302-11/uz. 114-17-2 dated 5th July 1917 and 9th August 1917 respectively, sanctioning the appointment of Muzrai Sheristadars and their establishment for a period of six months for examining the affairs of minor Muzrai Institutions in the State, I have the honor to state that the Muzrai Sheristadar and his establishment of this District having been entertained on the 21st August 1917 their term of Office will expire on the 21st instant.

2. Only 79 out of 214 Institutions have been examined and about 60 proposals for fixing the scale of receipts and expenditure of the Institutions which have been examined, received so far, for approval. The Muzrai Sheristadar and his staff are now engaged in the Murub Taluk since the beginning of this month and according to the programme received from the Muzrai Sheristadar the work of even the Murub Taluk cannot be expected to be completed before the 9th March next. I think that it would take six months more to finish the work in the District which cannot be done satisfactorily without a special agency.

3. In these circumstances, I request that you will kindly move the Government to extend the services of the Muzrai Sheristadar and his staff for another period of six months with a view to complete the work so as to secure uniformity in the working of Muzrai institutions in the District, and facilitate the formation of the Muzrai Funds contemplated in Government Orders Nos. 271-25/uz.771-17-2, 2520-57/uz.391-15-1 and 2250-10/uz.30-15-1 dated 2nd April 1917.

I have the honor to be,
Your most obedient servant,

Sir,

With reference to Government Order No. 302-11/Muz. 114-17-2 dated the 9th August 1917 sanctioning the appointment of temporary Sheristedars and postings Mr. B. Rama Rao to Chitaldrug and Kadur Districts, I have the honour to submit herewith for favour of information copy of correspondence ending with Chitaldrug Deputy Commissioner's docket No. 2053 dated the 17th January 1918

2. Mr. Rama Rao the temporary Sheristelar has reported himself for duty in this District on the forenoon of the 15th instant after he was relieved of his duties in the Chitaldrug District. The programme of the work to be done in the District drawn up by the Sheristedar, is approved of by me, and it is enclosed herein for kind perusal. It may be seen from the programme that the number of institutions whose affairs are to be investigated is 59 and that it requires nearly 4 months to complete the investigation.

3. I therefore request that you will kindly obtain the sanction of Government for the extension of services of Mr. B. Rama Rao temporary Muzrai Sheristelar for a further period of four months in order to enable him to take up and complete the investigations

The Joint Secretary to the
Government of His Highness the
Maharaja of Mysore, Muzrai Department,
Bangalore.

SIR,

Adverting to Government Proceedings No.31-41/M.F.583-16-2 dated 5th July 1917 sanctioning, among other things, the entertainment of a temporary establishment of nine Sheristadars for 6 months to give complete effect to the orders of Government on the reorganization of the Muzrai Department, I have the honour to submit herewith a statement showing the work turned out by each Sheristadar since the date of his joining the new appointment and the time required for completing the work.

2. From the appended statement it will be seen that the work turned out by all the Sheristadars comes to about half the work required to be turned out. As the Sheristadars were new to the work they were not able to show good progress during the earlier months and some of them have had to be absent on leave on urgent business of their own. Their work has been improving of late and they are being constantly urged to greater effort by individual requisitions, general reviews and personal requests to Deputy Commissioners. It must however be noted that

volume of the work to be gone through was much too large to be tackled with success within the time limit given.

3. The enclosed statement shows the work turned out by each and the period necessary to complete the work. Making allowance for the gathered experience of the Sheristadars it is believed that the work will be completed if extension is granted to the establishment until the end of May. The financial statement appended exhibits the additional cost involved which works out at Rs. ~~3435/-~~ 35 1/3/-

4. Sanction may be accorded to the extension recommended, the additional cost being met in the first instance from Government Funds to be distributed later on over the surplus funds at the credit of Muzrai institutions. The favour of early orders is solicited.

I have the honour to be,

Sir,

Your most obedient servant,

Muzrai Superintendent.

To

G. Aravamudu Iyengar, Esq., B.A. B.L.,
Joint Secretary to Government,
Muzrai Department, Bangalore.

S i r,

With reference to your D.O.No.11 of the 15th instant intimating that recommendation has been sent up for the retention of Mr. H. Venkatesiah as Temporary Muzrai Sheristadar of this District till the end of May next, I have the honor to forward herewith a detailed report dated 31st January 1918 from the said Official showing the work that he hitherto been done by him and that is still remaining to be done.

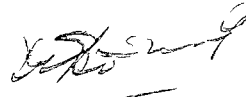

2. From the above it will be seen that out of the 130 Minor Muzrai Institutions that have to be treated as per Provisional list, the reports of 46 institutions have up-to-date been submitted leaving 114 still to be dealt with. Besides he has inspected 30 institutions that were not in the Provisional list. These 114 institutions are situated in 5 Taluks and to complete the work satisfactorily would require about a year.

3. The Muzrai Sheristadar reports in his report his difficulties he has hitherto experienced in his work may be true. However he has been instructed to make every effort to try and finish the work as early as possible. I request that the orders of Government be issued to extend the period of his retention till the completion of his work.

My

Sir,

With reference to your ho. Dis

c. 3189 of 19th January 18 rece-
ived yesterday & c. 30th January
1918 calling for my explanation
in the matter of delay &c. in the
submission of my reports, I
beg to state as follows:—

- (1) I entered upon my duties
as Inyazoi Sherastadar on
the 21st August 17 - My ins-
pection work actually comm-
enced on the 30th August 17
as I had to stay in Bangalore
to take instructions from the Chief of Police
for eight days as some business.

for travelling work. I had also to wait for a few days during the above interval for securing the services of a writer & a peon to my office.

2. . I first took up the temples in Dooballapur Taluk for inspection & examined 3 institutions out of 5 mentioned in the provisional list and I also examined 1 institution not mentioned in the Provisional list as the annual income of that temple was more than Rs 100. I learnt during my stay at Dooballapur that there were 4 or 5 more institutions in that Taluk

with an annual income of more than Rs 100 which had not been included in the Provisional list - As these were outside the Provisional list I sought instructions from the Inyangari Superintendent as to whether I could inspect these institutions also - As no orders in the matter were received I took up the temples of Anekal Taluq for my next inspection -

3. 7 temples were included in the Provisional list in Anekal Taluq - I examined all these institutions & 11 more not included in the Provisional list -

as per personal instructions of the Asst. Secretary of the
inspected) as their annual ^{Magadi Report Office}

income was above Rs 100.

(4) After finishing Buckhal

I proceeded to Magadi.

23 temples were inclu-

ded in the Provisional

list - I examined all these

23 institutions & 17 more

were included in the Provi-

sional list were also

inspected as their annual

income was above Rs 100.

5) After the inspection

of temples in the Magadi

Taluk I proceeded to ins-

pect the temples in Kan-

Kanballi Taluk - 11 temples

included in the Provisional list - I examined all these 11 temples & 3 more not included in the Provisional list as their annual income was above Rs. 1000.

(6) To sum up, in brief there are 46 temples in the Provisional list in these 4 Taluqs. I have actually inspected 76 religious institutions up to the end of January 18 i.e. 30 institutions more than the number in the Provisional list -

(7) On the 5th October 17 at Ahmedal I learnt the sudden & most sorrowful event of my brother's death which necessitated my leaving him.

leave for 14 days and while
leave your honor most gene-
-rously granted - I was the
only person in my family
that could attend to the
funeral obsequies of my
deceased brother - This
took me away from my
official work for a fort-
night - But for this sad
bereavement I could have
inspected about 15 temples
more - It is owing to this
& other circumstances
as stated above, the number
of institutions inspected
during the first two months
of my entry into my ^{work}

was comparatively small.
But I have made up
for this small number
by inspecting a much
larger number of insti-
tutions during the past
3 months. I may also add
here that I was much
handicapped in my work
during the first two months
owing to the writer joining
his appointment about the
middle of September.

81 The work of inspection
was begun right in the
beginning of the year,

when it is extremely difficult to travel into the rural parts in the interior of Taluks. Besides this the parties concerned, without whose presence no work of inspection can proceed, will not as a rule appear before the Sherastidar in time in spite of urgent calls. This leads to some delay in getting through the work in villages. When the parties do appear in most cases they are so factions that they do not furnish the necessary information.

all at once & so the inspection work of temples will not be completed in the desired time - Some of the Shamboques ~~also~~ do not promptly furnish the required particulars - All these circumstances more or less retard the work of inspection -

(9) The prevalence of Plague, in some of the villages is also a great impediment to inspection - As the Hindoos are always engaged in multifarious work & will be outside the Idag Kur in some cases, it is not possible

convenient to submit the
temple reports personally
to them. When they are
transferred to them it in-
volves great delay in
getting the draft reports
approved by them at first,
& then sending the fair-
copied duplicate copies
of reports & statements
of each temple for their
signature & submitting
the same to the authorities.

(10) I wish to state here
that I have been able -
to take several Durbha-

-ikas in the Nagadi Taluq
in the short time I had at my command
from the temple servants & janis
& other devotees of the

to see that these properties
belonging to the institution
such as shoes, uniforms &
may not be misused
~~used~~ by others.

(11) The list appended sho-
-ws the number of insti-
-tutions actually ins-
-pected as against the
number given in the
provisional list.

(12) There are yet 5
more Taluqs excluding the
Sub Taluqs whose temples
are to be inspected i. e.
a little over a hundred.
A period of about 6 or 8
months is therefore needed
to complete the inspection
work in the remaining

remaining July 6, and I will
endeavour to complete the work
that time to your service.

I beg to remain,

Respected Sir,

Your honor's most obedient
& humble servant -
